

Nebraska High School Rodeo Association

Dear Friends,

The Nebraska High School Rodeo Association is excited to have completed another very successful year. The student directors, adult directors, contestants, local rodeo committees, volunteers, and supporters like yourself have made the 2005 - 2006 season a big success. Our association is proud to send over 40 contestants to the National High School Finals Rodeo this year which will be held in Springfield, Illinois the end of July.

The sponsorship you provided by advertising your livestock sale date on the Nebraska High School Rodeo calendar has contributed to the success of this organization. Your sponsorship helps defray printing costs, allowing the profits generated from calendar sales to sponsor the Nebraska team contestants at the national high school finals and provide scholarships for graduating seniors. The contestants have also done their part by successfully selling over 4,000 calendars this past winter.

The association will be publishing their third calendar soon, hoping to have the calendars in the hands of the contestants by mid-September so they can begin selling calendars earlier this fall. The 2006 calendars were sold in Nebraska, Kansas, Wyoming, South Dakota and Iowa. Enclosed is a 2006 calendar so that you can see how your date was displayed. The cost of sponsoring your livestock sale date on the 2007 calendar will be the same price as last year, \$50.00 per sale per date.

If you are interested in listing your livestock sale on the 2007 calendar, please fill out the enclosed form and return the form and your check no later than August 1st, 2006 to Rita Dobbins, 866 North Wild Rose Rd., Hershey, NE 69143. The availability of a certain date will be on a first come, first serve basis due to the limited space on the date. Additional sale dates will be included in that calendar month, but be sure to *reserve your sale date early!*

If you have any questions, please contact any of the three committee members listed below. Thank-you again, for all of your support of the Nebraska High School Rodeo Association!
